Compliance for food contact

The woven wire meshes produced in stainless steel by G. Bopp Co. AG comply with the following recommendations:

- FDA Code of Federal Regulation Title 21: Food and drugs, Chapter I, Subchapter B, Part 110, Subpart C, Sec. 110.40: Equipment and utensils
- EU Partial Agreement in the Social and Public Health Field, "Guidelines on Metals and Alloys used as Food Contact Materials", 13.02.2002

The customer is responsible for the correct selection of the mesh material for any given application.
